Account St. Vrain Lakes Metro District
Contact Ronnie Kenfield
Address 4783 Lakeside Drive
Firestone, CO 80504

Work Details

Specialist Comments to Customer Water samples were collected from both lakes at differing depths. Algae Identification and E.Coli samples were also collected. All samples were sent to the labs. Dissolved oxygen, temperature, and clarity readings were conducted and noted. At this time, no issues were identified in either lake.

Work Details

Specialist Comments to Customer: No signs of algae or Aquatic vegetation in either lake. Great clarity and water levels. Aerators in East Lake are running except one compressor. The capacitor is bad and will be replaced on next visit. Other than that, no concerns were identified.
